

New! Online Program Enrollment Instructions - FY2007

This instruction manual is available on the ADE website in the Development and Innovations Group Section at: <http://www.ade.az.gov/cte/DIG/> under the title of New! Online Program Enrollment Instructions - FY2007. These instructions will walk the report preparer step-by-step through the process to enter and submit program enrollment data.

Follow the instructions below to get into the online system:

Go to the ADE website: <http://www.ade.az.gov>

Click on **Programs**

Click on **Career & Technical Education**

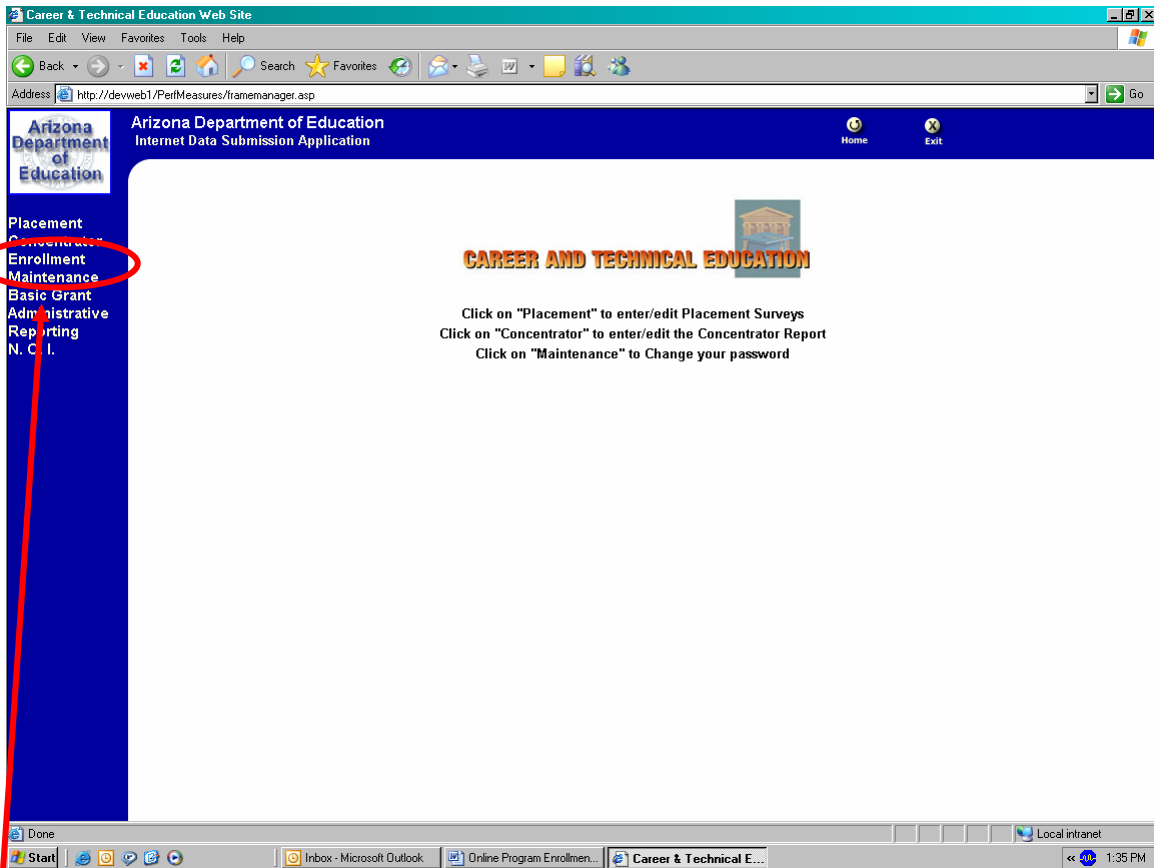

Click on **Development and Innovations Group**

Click on **New CTE Placement Survey reports and Concentrator report system**

OR

go directly to: <http://www.ade.az.gov/PerfMeasures/splash.asp>

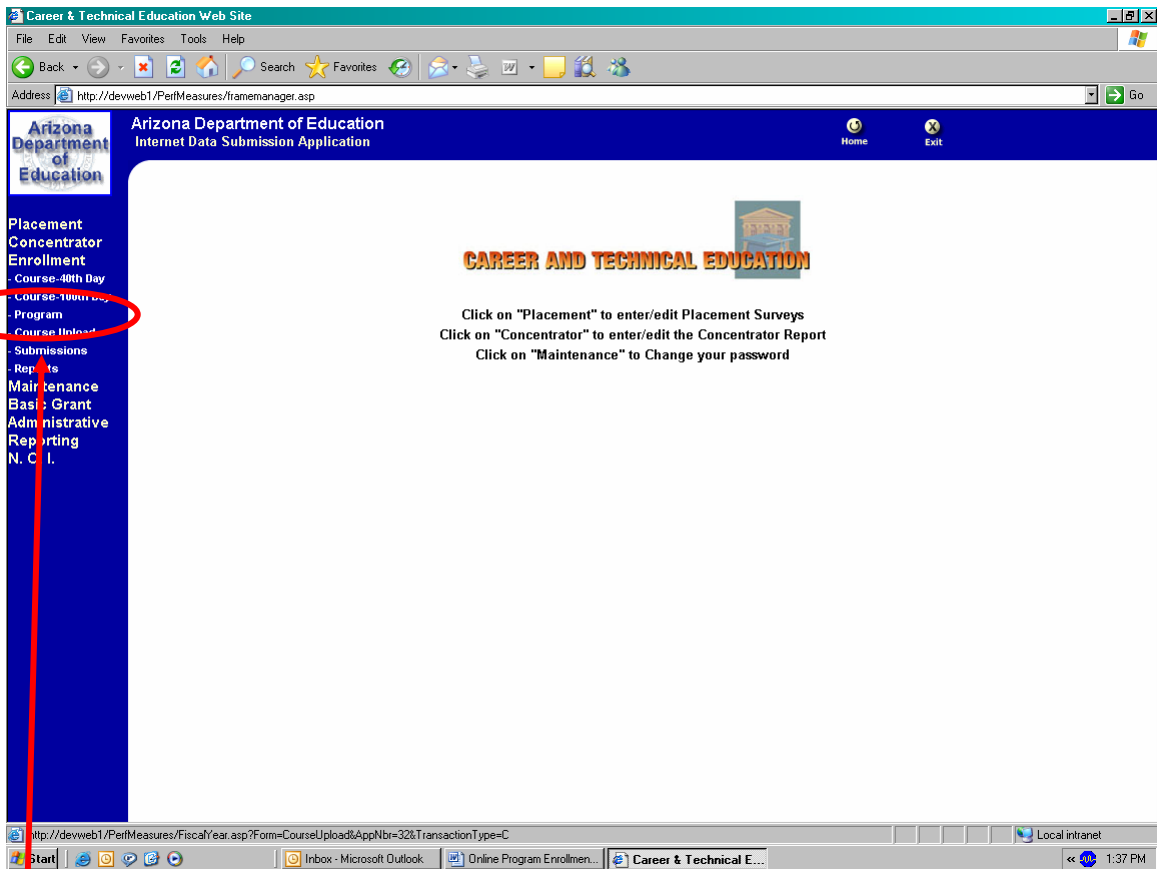

Click on **LOGIN** (use the same user ID and password the district uses to enter Performance Measures). If the district does not have this information please contact Jet Wilson at (602) 542-5486, Della Hofer at (602) 542-5711 or Donna Kerwin at (602) 542-7881.

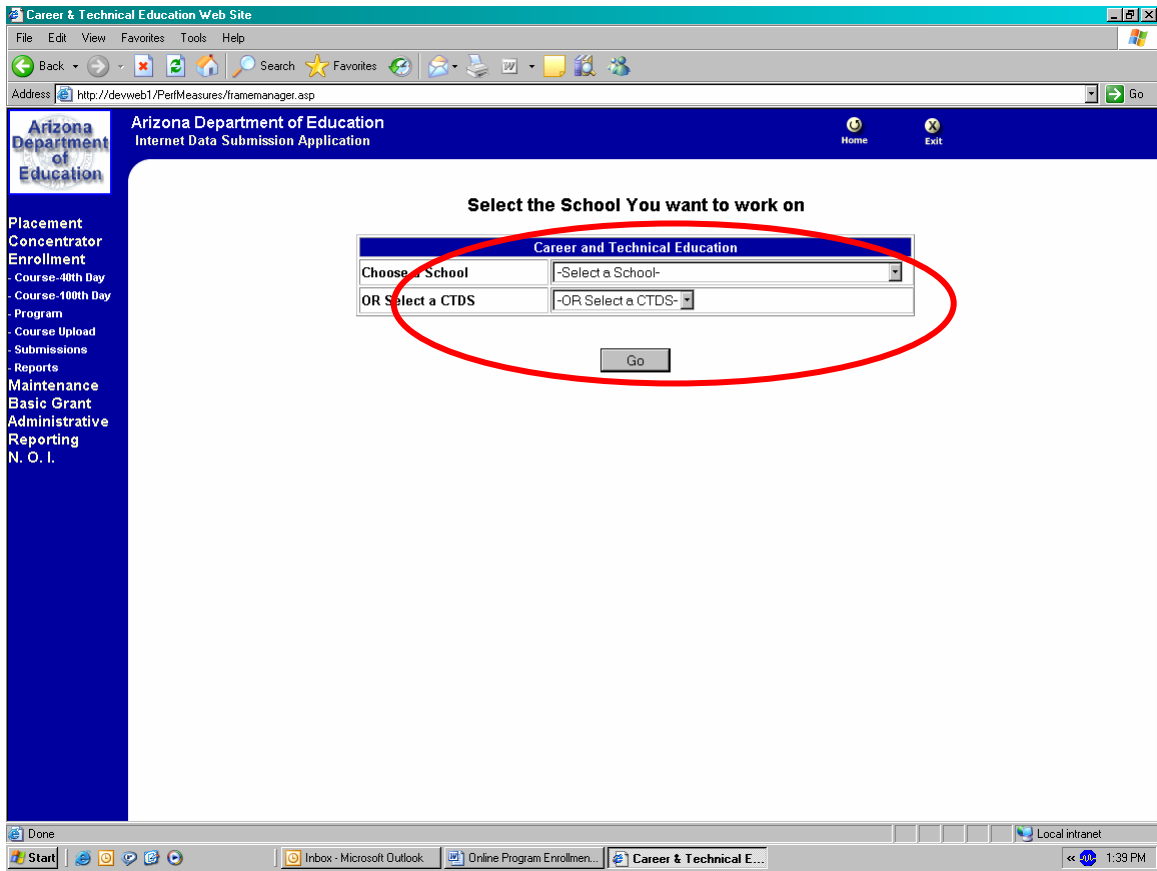

This option is available on the Performance Measures website (online system). It has been developed for your convenience so that you can add FY2007 Program Enrollment records online. We will only accept FY2007 Program Enrollment records submitted to ADE CTE using the online system or in a text file attachment*. The text file can be on diskette, CD, or email attachment sent to CTE at: STWDataCollection@ade.az.gov.

*The text file format is located at: <http://www.ade.az.gov/cte/GrantsMIS/filelayout/>

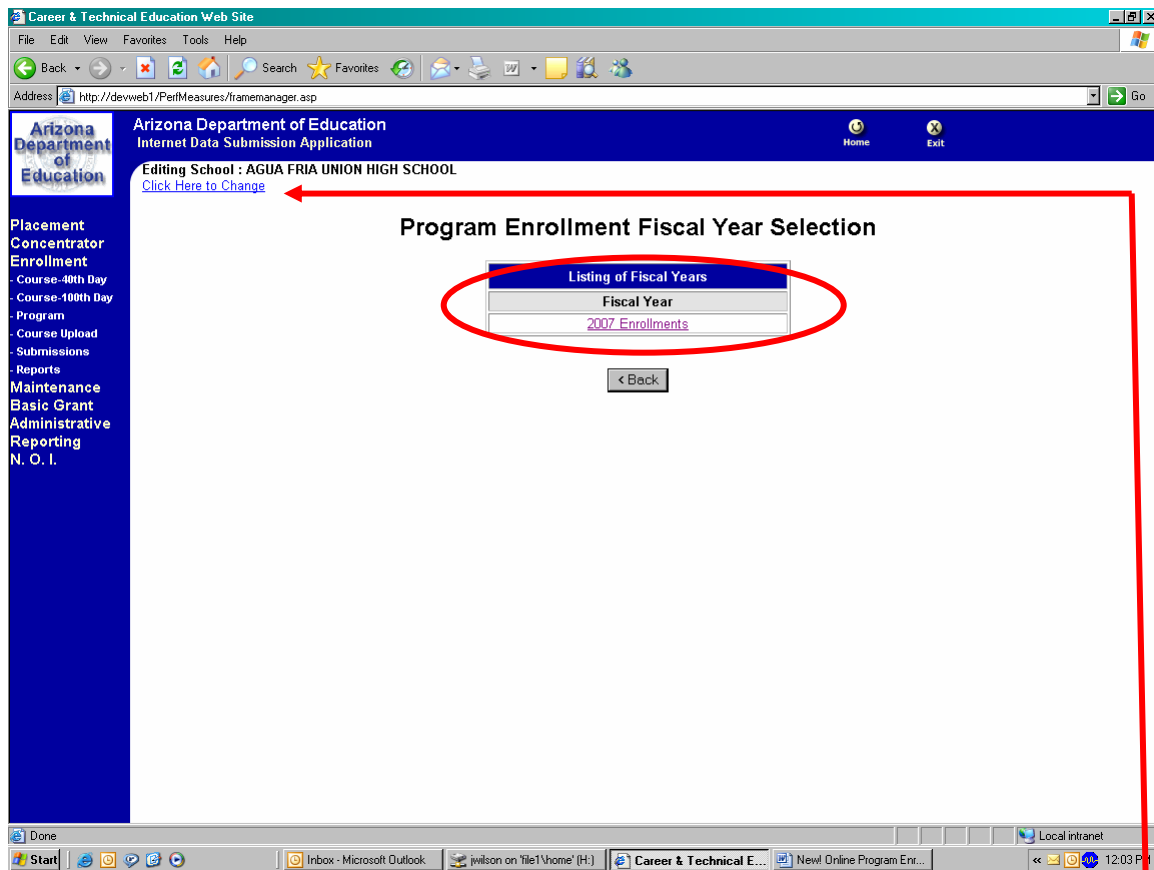

To add a new Program Enrollment record for FY2007, click on [Enrollment](#).

Click on [Program](#).

Select the [School](#) or [CTDS number](#) by clicking on the drop-down arrows then click on [Go](#).

Click on [2007 Enrollments](#) to add, modify or delete records. You can also select another school in your district by using the [Click Here to Change](#) link.

After the district submits program enrollment data and notification to process is received, the district will receive a verification report and signature pages. All valid and invalid records will appear on the district Program Enrollment (VOCI 25) report. Valid records have been recorded on your district's Program Enrollment Master Print Report (VOCI 26). Invalid records have not been recorded to your district's Program Enrollment Master Print Report (VOCI 26) and must be corrected and re-submitted.

Please use the most current browsers available - Internet Explorer 5.0 or higher or Netscape 4.7 or higher

FY2007 is a transition year for reporting. Districts will have a choice for each individual CTE program to report either:
New CTE Delivery System
OR
Current AZ VTE Model (Level I, II, III)

To add new Program Enrollment data, click on the **Add New Record**, select the Program Number and click Submit to proceed to the next screen to enter your enrollment data.

To change a record that is already added, click **Modify**. (If you click on **Modify** but do not change the record, click the **Back** button at the bottom of the screen, not the **Submit** button). You can modify any field except the 6-digit Program field. To change the Program field, you must delete the existing record and then add a new record.

To delete a record that has been added, click **Delete**.

No changes can be made to the Tech Prep field. The Tech Prep field for this Program will be set to the 2006 value.

When the Program Enrollment information is complete, the current date will appear in the Updated box.

After all Program Enrollment records are complete and ready to process, you MUST notify Career and Technical Education by sending an email to: STWDDataCollection@ade.az.gov, stating that your data is complete and ready to process. Please include the name of the district/school(s) that you are reporting.

Method:
CP = Career Preparation course

Add New Record

To add Program Enrollment records, click on the flashing red/yellow [Add New Record](#).

There are new instructions for this transition school year – FY2007. For each program the district must report the correct method as reported for Course Enrollment – [AZ VTE Model \(Level I, II or III\)](#) or [the New Delivery System \(Career Prep\)](#).

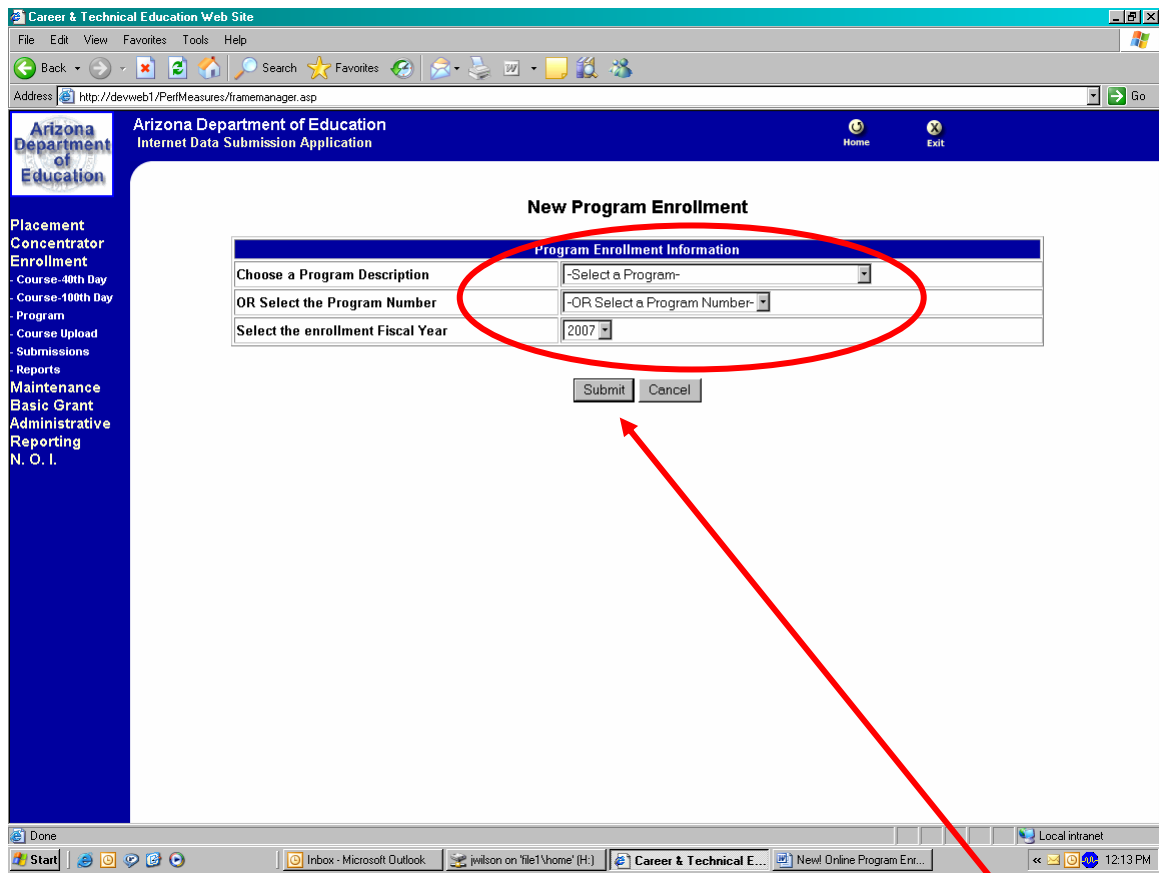

In FY2008 all programs may be required to report under the New Delivery System (Career Prep).

Click on the delivery method – [2007 New Delivery System – Career Preparation](#) or [2007 Current Arizona VTE Model – Level I, II, or III](#).

You must select the correct delivery method for each program as reported for course enrollment.

Note: The system will allow only one reporting method selection per program for the entire FY2007 school year.

Select a [Program Name](#) or [Program Number](#) and click on [Submit](#).

The Fiscal Year is set to 2007.

2007 Program Enrollment Form Records submitted by Email Attachment or Disk (ASCII Text)

The district verification packet contains the following report:

- **VOCI 25 Program Enrollment Verification Report**

Records listed on the VOCI 25 contain correct data recorded on the Program Enrollment Master Print Report VOCI 26 file and errors NOT recorded on the Program Enrollment Master Print Report VOCI 26 file until the errors are corrected and resubmitted.

Please review ALL reports to determine the corrections needed to be made.

Corrections may be submitted by one of the following:

Option 1

All corrections can be submitted in an ASCII text file. The EDP Data file text format is located at the following website:

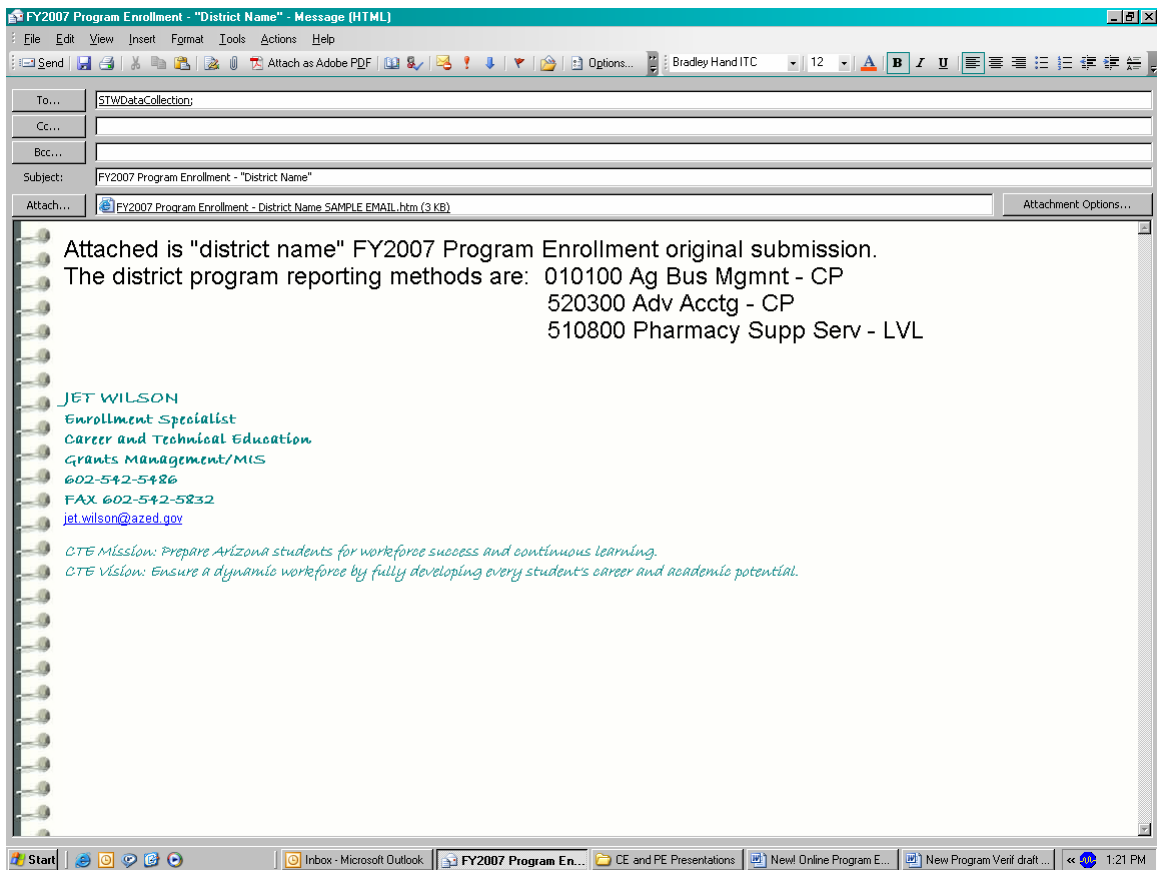

<http://www.ade.az.gov/cte/GrantsMIS/filelayout/vocipgm.asp>

Option 2

You can submit **ADD** records via the online system; however Change/Modify and Delete records will need to be submitted on the EDP Data file text format located at the following website:

<http://www.ade.az.gov/cte/GrantsMIS/filelayout/vocipgm.asp>

When all program enrollment data has been entered in a text file, **you must send an email notification with the text file attachment, stating the data is complete and ready to be processed, include your school/s and district name, to: STWDataCollection@ade.az.gov. For FY2007 you will need to list each program number, name and reporting method (Career Prep – CP or Levels – LVL) on your notification email (see example below).** Please keep in mind that this email will be used to show that your data was submitted on time. Also, the VOCI 25 report **Signature page(s)** will need to be mailed to ADE with the authorized signatures by the due date.

Text Format Corrections for the VOCI 25 Report

When reviewing your data if you discover changes that need to be made to a program number you will need to **DELETE** the record and **ADD** a new record with the correct information.

Note: Unduplicated student counts

Each student may only be counted in one program, no matter how many programs they are enrolled in. Within each program, each student may only be counted in one ethnic category and in one special populations category.
